Dear Sir,

Thank you for your enquiry regarding our range of Algebra sailplanes. Please find enclosed information leaflets on both the Algebra range and also of our new model "Calculus" which will be ready for production early February.

We have also enclosed an order form, and we can accept payment by the following: Visa or Mastercard credit cards, quote number and card expiry date. Banker's Draft made payable in UK Pounds Sterling and payable through a London Bank. You may if you prefer transfer the funds directly into our bank account; details below.

All our models are sent via the Postal Services and because there are no Customs now, you have to pay UK VAT at the rate of 17.5%. The November 1992 UK Price List shows the total price including UK VAT and postage within the UK, an additional sum of £13.00 is required for sending a parcel to Germany.

Most models are ex stock.

Yours faithfully,

Mrs. M.W. Edmonds
