

#### Mods and Set Up Notes:

1. Replace/Upgrade Elevator Push Rods.
2. Increase Elevator Throw to 30mm Up and 20mm Down.
3. 30-35% Expo on Surfaces.
4. 50% Aileron Differential
5. At ½ Flap Deflection – No Aileron Droop
6. At Full Flap Deflection - Ailerons Droop ½ of Flap Travel

#### Laser 300v Four Stroke Props to Test

- 20x8 - Standard 300v Prop
- 21x6 - Probably more suited to this project... ?
